

NJAFP 2024 Resolution #9
Proposed by Roger Thompson, MD

Physician Enrollment on Plan Rosters

- 1 **Whereas:** the ability to add physicians to our office practices is important to our stability and
2 growth, and
3
4 **Whereas:** it is important for physicians to be enrolled in insurance plan rosters in order for them
5 to see patients, and
6
7 **Whereas:** it is not uncommon for the enrollment process to take a long time, now therefore be it
8
9 **RESOLVED:** that the NJAFP encourage the NJDBI, our state legislators, AAFP, AMA, and
10 other appropriate agencies to enact regulations and/or reassurances limiting insurers to a 90 day
11 period for enrollment.
